

THE STUNNING NEW *BALENO*

THE STUNNING NEW
BALENO

DARE TO GO GLAM

Glam is about leaving an impression. It's confidence without validation, style without effort and choices that reflect who you are. Dare to Go Glam is an invitation to make every detail count, every journey an expression and every arrival unforgettable. A world that's expressive, contemporary and unmistakably your own. A world that the Stunning New Baleno brings to life.

CRAFTED FUTURISM

The Stunning New Baleno brings NEXA's Crafted Futurism to life through a contemporary take on the Signature NEXWave Grille. It's wider, more assertive form features three-dimensional patterns, complemented by a sculpted bumper, and Fender Chrome Garnish. A sleek Shark Fin Antenna completes the look while reducing air drag and wind noise. Every detail comes together to create a design that's contemporary, sophisticated, and captivating.

DARE TO TURN HEADS

There's something about a design that invites a second glance. The Stunning New Baleno makes that impression from the very first look. It's refreshed front fascia features the Signature NEXWave Grille, now larger and enhanced with three-dimensional detailing and chrome accents. The LED Projector Headlamps with NEXTré LED DRLs define the front, while NEXA Signature LED Tail Lamps bring the same distinctive character to the rear. A design that gives you a reason to look twice.

DARE TO SEE BEYOND

ADVANCED
EMERGENCY BRAKING

Confidence comes naturally when intelligence travels with you. Level 2 ADAS uses a monocular camera and millimetre-wave radar to read the road ahead and support you when it matters. Adaptive Cruise Control, Lane Keep Assist, Lane Departure Prevention, Lane Departure Warning, Advanced Emergency Braking and, High Beam Assist work seamlessly in the background, so you can stay focused on the road ahead.
