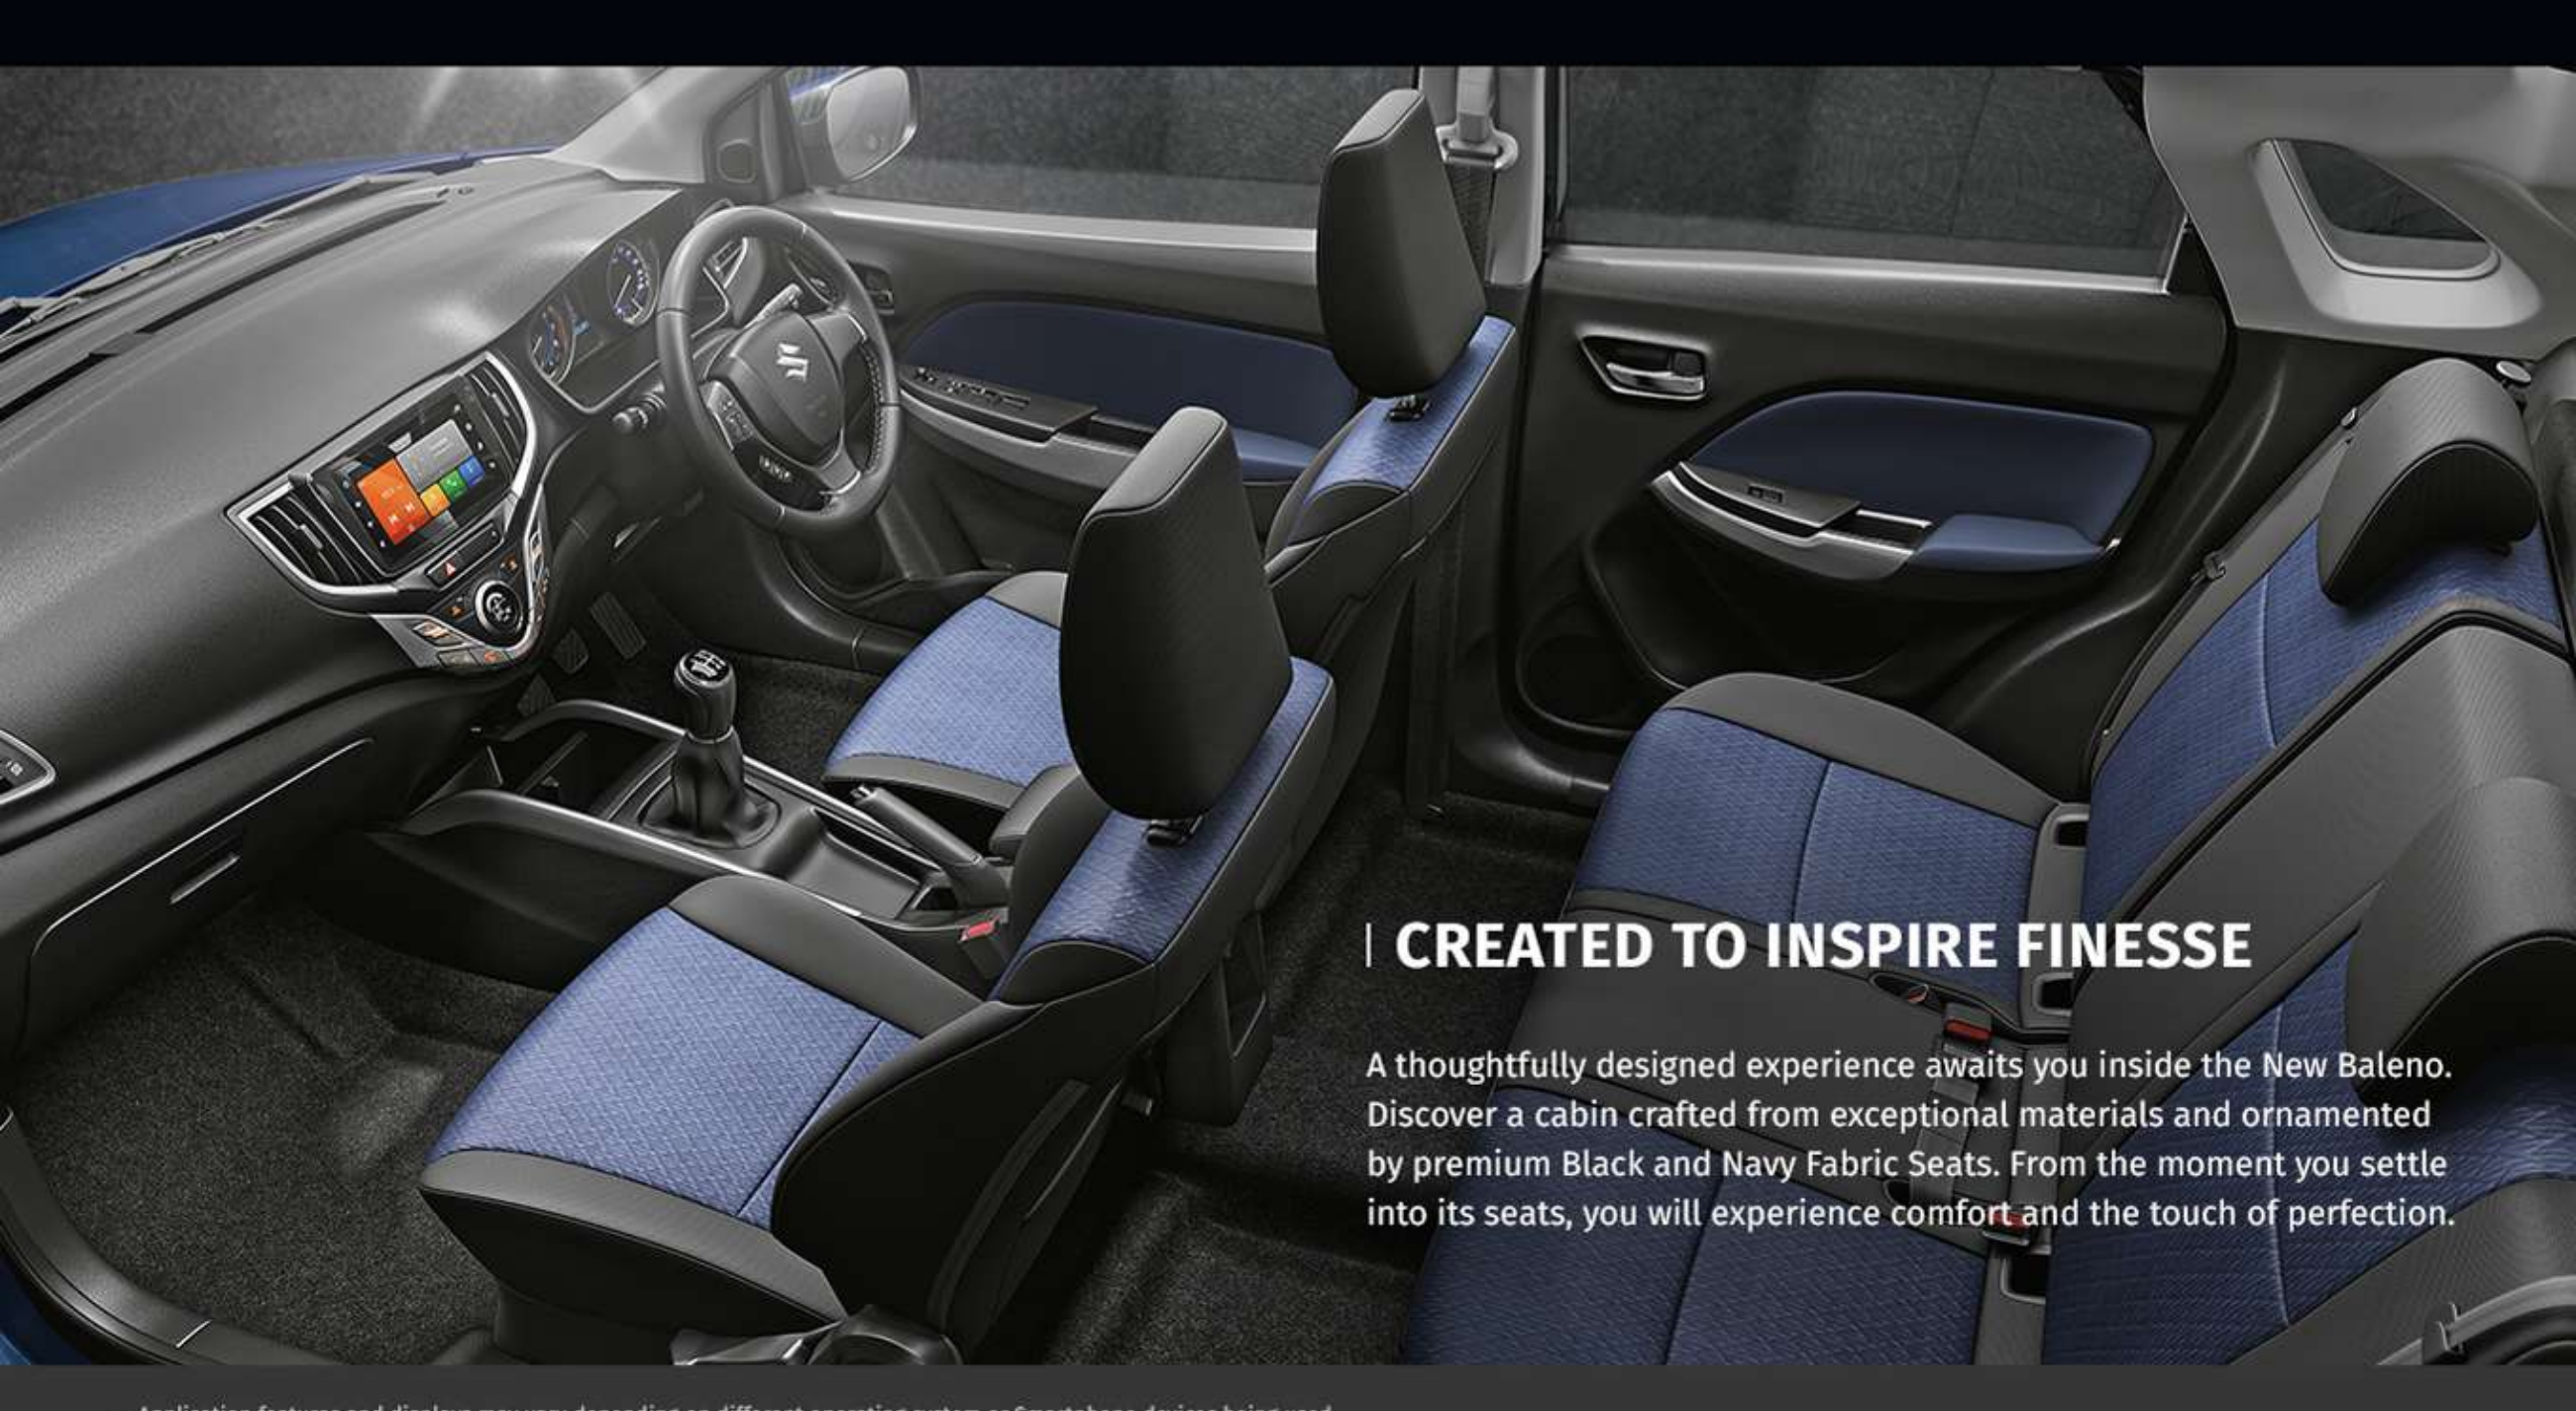
THE NEW
BALENO

THE NEW BALENO – MAKE BOLDER MOVES

The bold is now bolder. The New Baleno is here. It has raised its style quotient with its enhanced exterior design, and new premium interiors. It also comes with a host of innovative features and advanced technology, making it an exceptional drive. The New Baleno is created to inspire you to take bolder paths.

CREATED TO INSPIRE THE BOLD

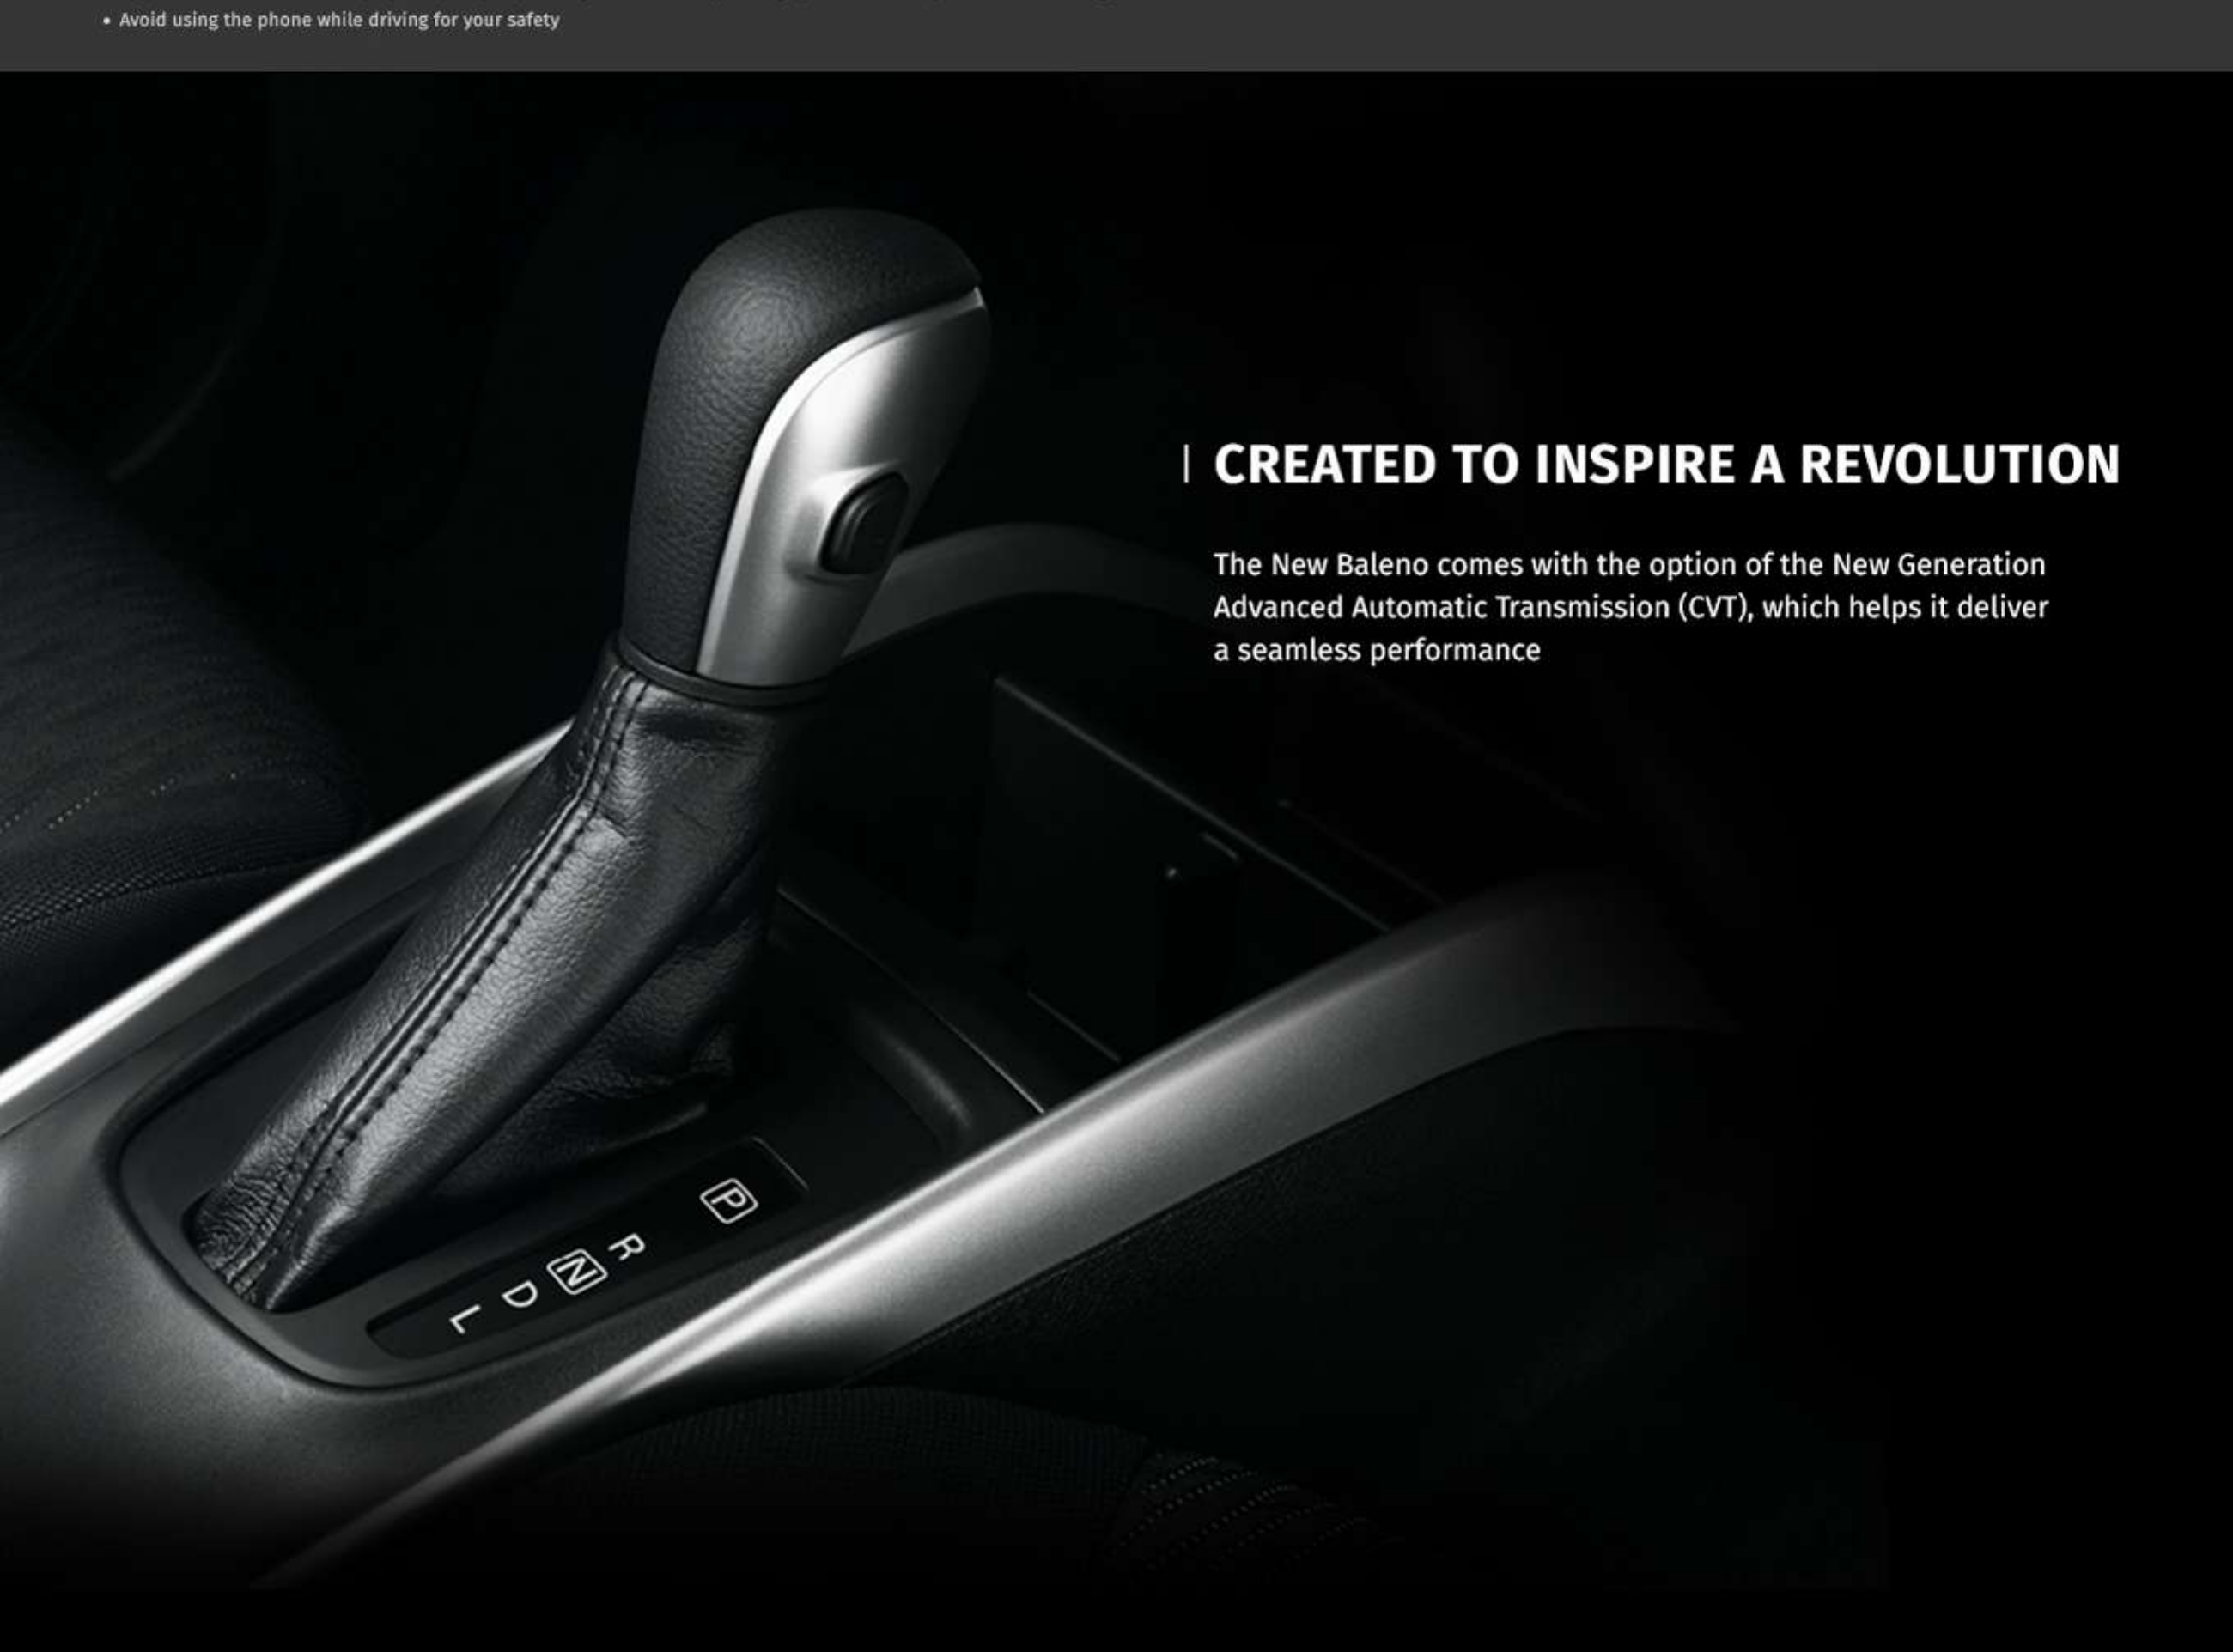
The New Baleno redefines boldness with its bold new Grille with 3D Graphic Design and bold new Bumper. It also comes with stunning new Two-tone Precision Cut Alloy Wheels and distinct Fog Lamps, which make its presence felt even from a distance.



CREATED TO INSPIRE FINESSE

A thoughtfully designed experience awaits you inside the New Baleno. Discover a cabin crafted from exceptional materials and ornamented by premium Black and Navy Fabric Seats. From the moment you settle into its seats, you will experience comfort and the touch of perfection.

- Application features and displays may vary depending on different operating system or Smartphone devices being used
- Avoid using the phone while driving for your safety



CREATED TO INSPIRE A REVOLUTION

The New Baleno comes with the option of the New Generation Advanced Automatic Transmission (CVT), which helps it deliver a seamless performance

CREATED TO INSPIRE THE FUTURE

Change is the heart of innovation. It is transforming the way you look at the world. Making it bolder, advanced and efficient. The Progressive Next generation Smart Hybrid Technology is in no way different. It has an Integrated Starter Generator with a Lithium-ion and a Lead Acid Battery that gives you an enhanced driving experience. The Torque Assist Function reduces the load on the engine and improves fuel efficiency.

smart HYBRID

CREATED TO INSPIRE AN EXCEPTIONAL PERFORMANCE

1.2L VVT PETROL ENGINE

The secret behind the New Baleno's extraordinary drive lies under its hood. It comes with a 1.2l VVT engine, which not only provides great power and torque but also better combustion, reduced engine friction, and lower emissions. It is available in 5-speed manual transmission & CVT options.

DDiS-190 DIESEL ENGINE

The New Baleno is also available in a DDiS 190 engine, which delivers a great performance. The acclaimed engine performs silently with reduced emissions, which makes it really efficient for Indian roads.

NEW DUAL JET, DUAL VVT ENGINE

The bold always makes the first move. Presenting, first time in its segment, an engine that delivers exceptional performance with efficient combustion, which leads to increased fuel efficiency and lesser emissions. It takes your driving performance to a whole new level.

THE NEW
BALENO RS

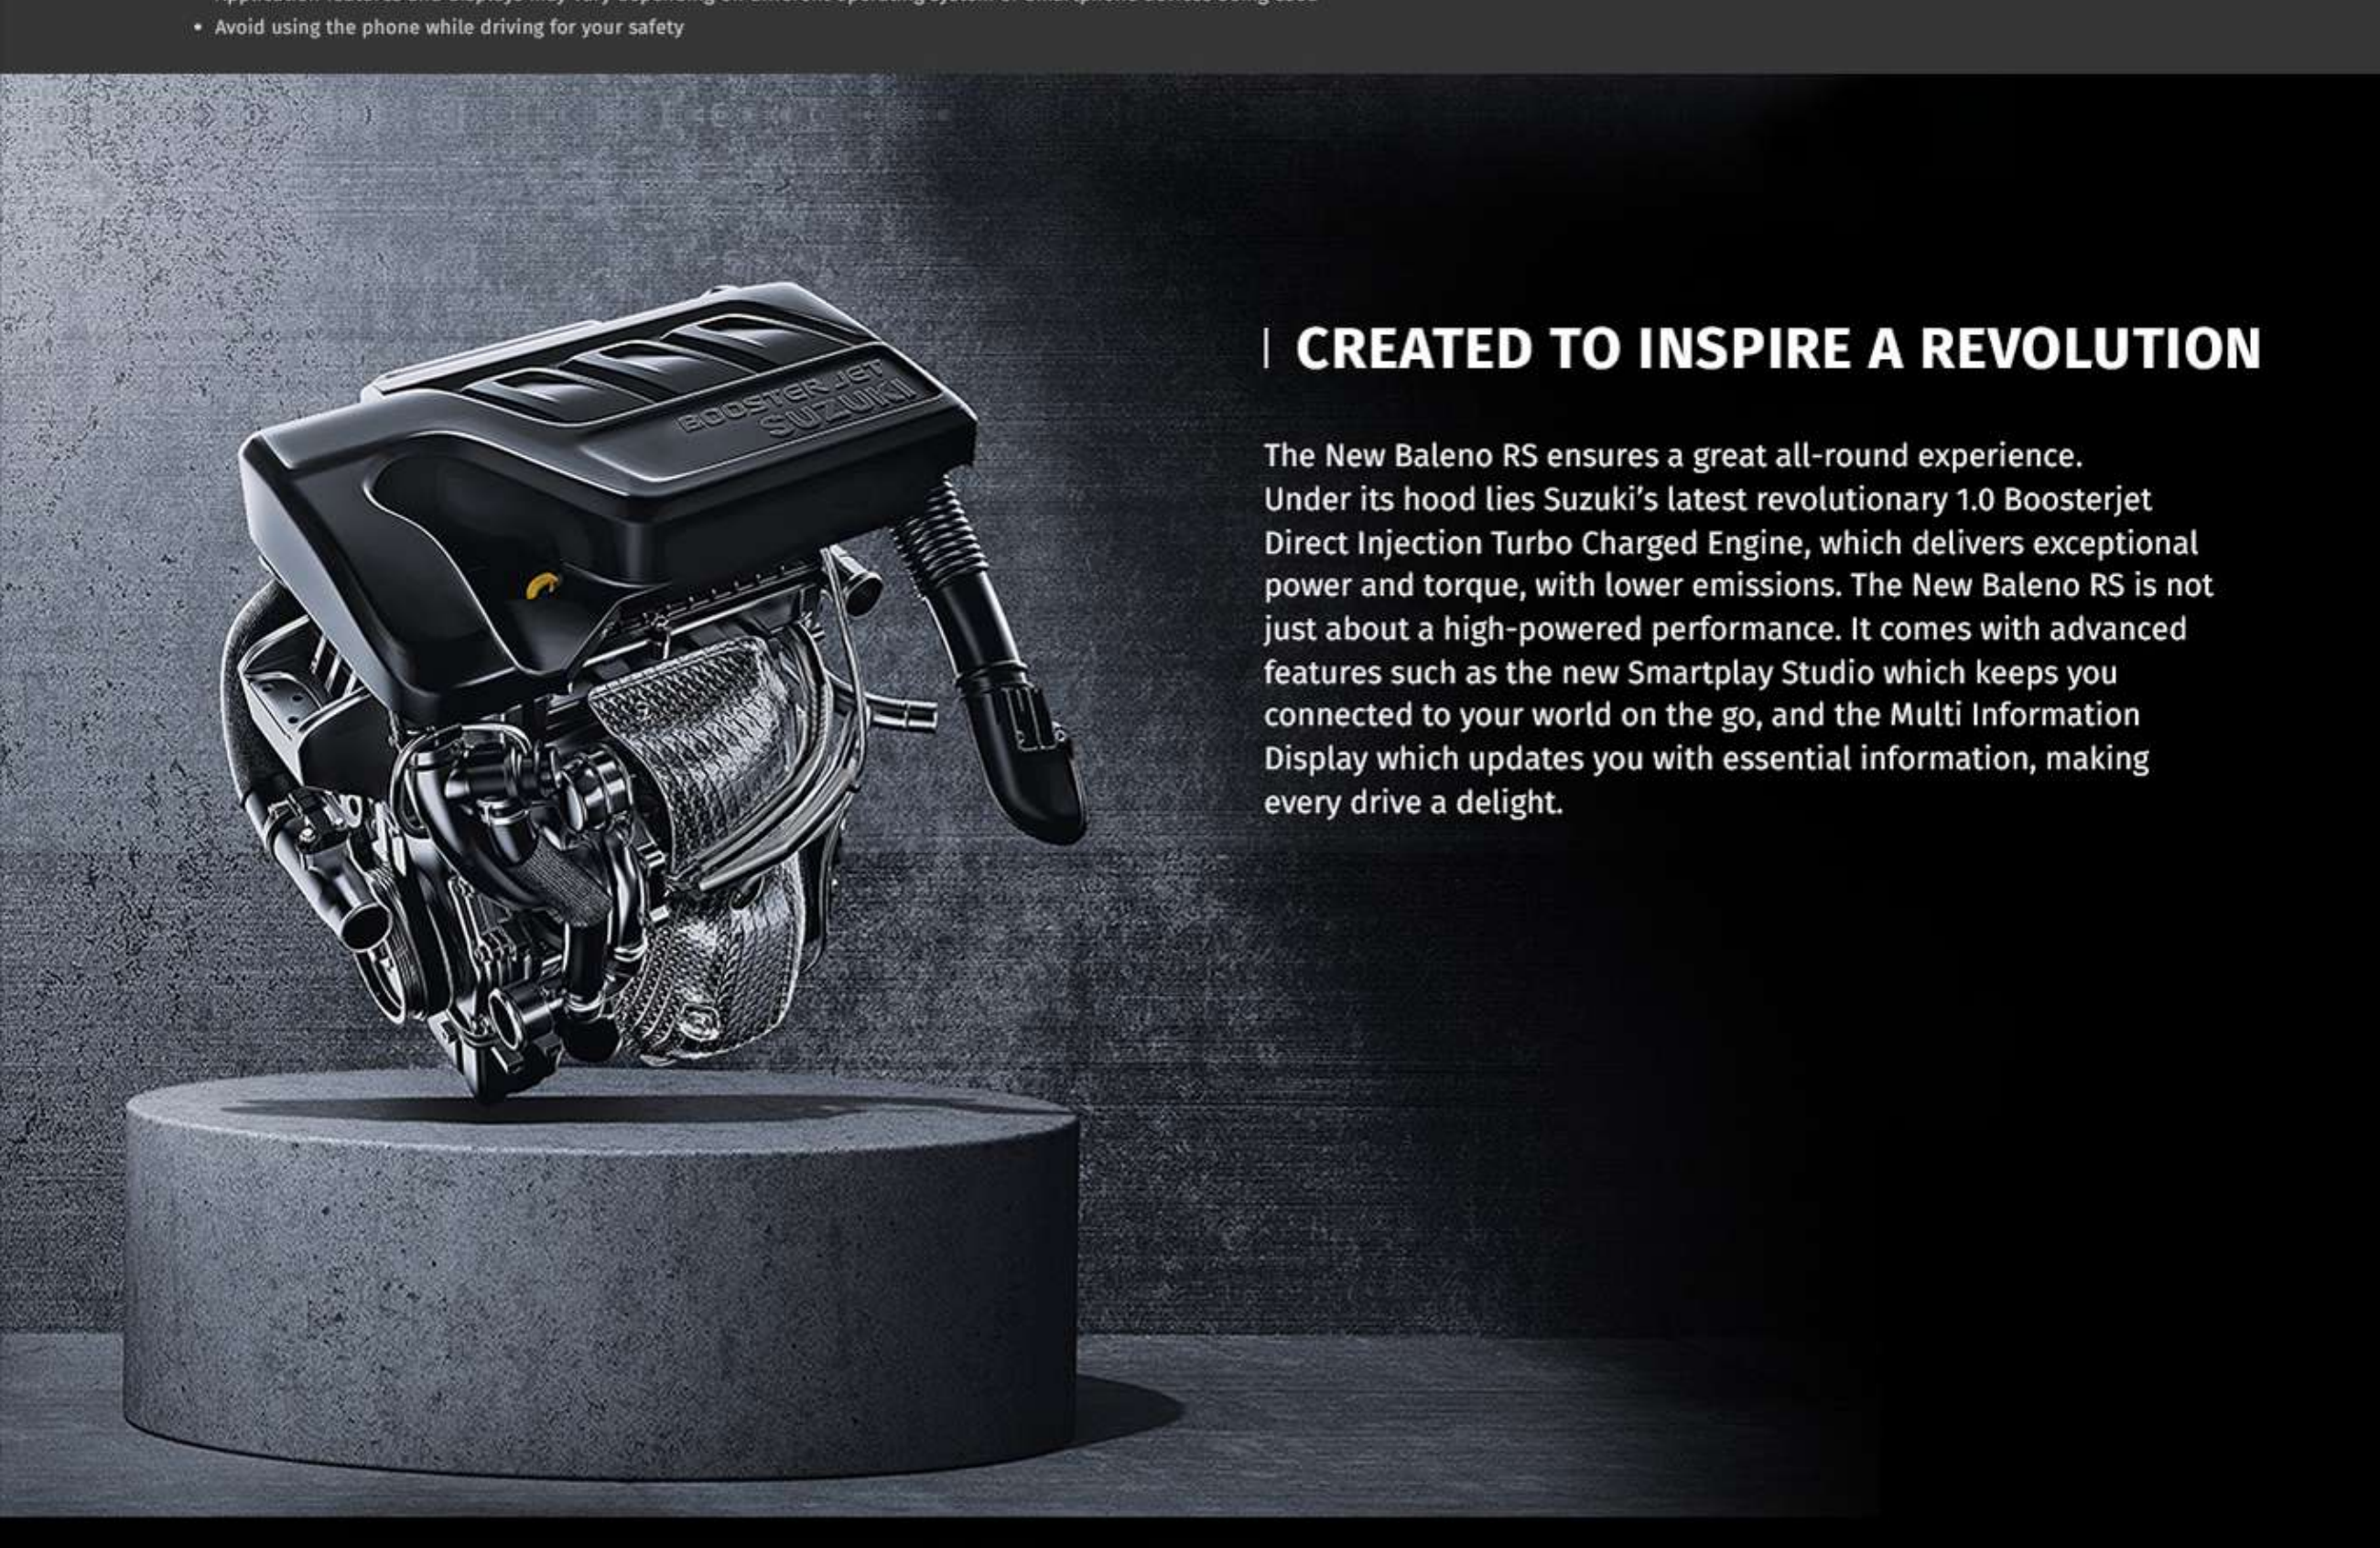
THE NEW BALENO RS

Prepare for a heart-racing experience on the roads. The New Baleno RS gives you a rush, whether you're driving it, or simply admiring its new and sportier design. The new sporty Mesh Grille, bold and muscular new front Bumper and wrapped around Fog Lamp Garnish on the exteriors of the New Baleno RS combine with its high-performance to give you the edge on the roads. It's truly an inspiration to deliver a power-packed performance.

CREATED TO INSPIRE STYLE

The New Baleno RS comes with a sporty look, which extends into the interior design of the car. Its stunning new upholstery, along with stylish new ornaments, bring the car's interiors alive, taking your driving experience to a whole new level.

- Application features and displays may vary depending on different operating system or Smartphone devices being used
- Avoid using the phone while driving for your safety



CREATED TO INSPIRE A REVOLUTION

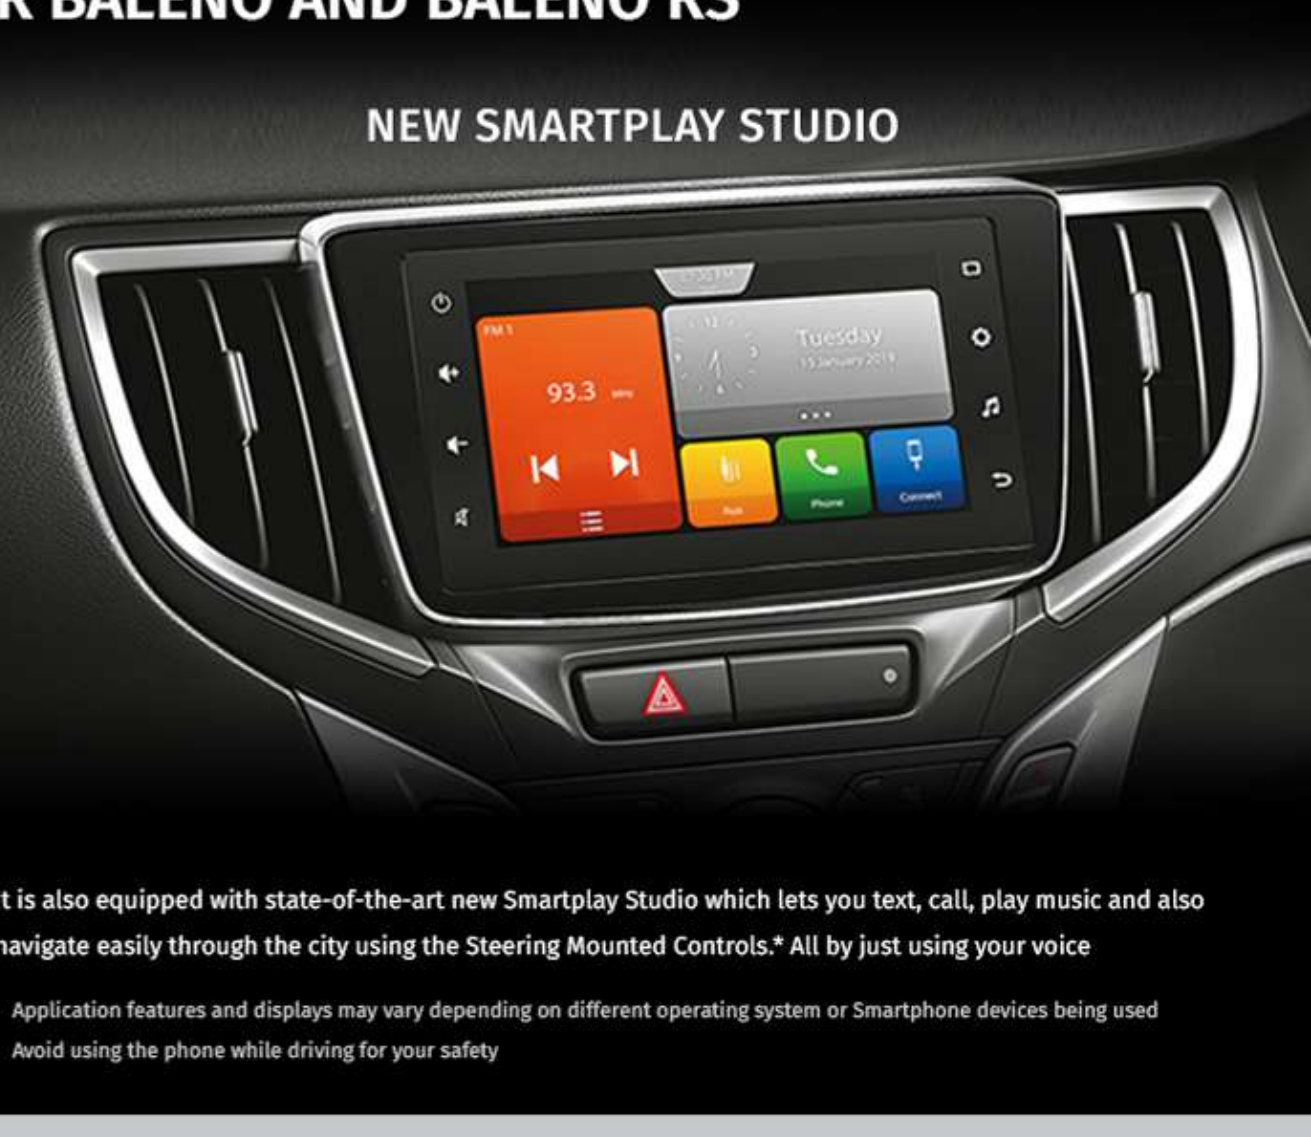
The New Baleno RS ensures a great all-round experience. Under its hood lies Suzuki's latest revolutionary 1.0 Boosterjet Direct Injection Turbo Charged Engine, which delivers exceptional power and torque, with lower emissions. The New Baleno RS is not just about a high-powered performance. It comes with advanced features such as the new Smartplay Studio which keeps you connected to your world on the go, and the Multi Information Display which updates you with essential information, making every drive a delight.

COMMON HIGHLIGHTS FOR BALENO AND BALENO RS

MULTI INFORMATION DISPLAY

You can also track your car's vital information easily through various screens in the Multi Information Display

NEW SMARTPLAY STUDIO



It is also equipped with state-of-the-art new Smartplay Studio which lets you text, call, play music and also navigate easily through the city using the Steering Mounted Controls.* All by just using your voice

- Application features and displays may vary depending on different operating system or Smartphone devices being used
- Avoid using the phone while driving for your safety

^Some parts of the leather appointed upholstery will contain man-made material.
***Fuel efficiency as certified by test agency under Rule 115 of CMVR 1989.
*VDA method.

#The Speed Alert System gives audible warning for alert of overspeeding to the driver. When vehicle speed exceeds 80 km/h, primary warning with two beeps will sound every minute. When the vehicle speed exceeds 120 km/h, secondary level warning with continuous beep will sound. If the vehicle speed slows down to 118 km/h, primary warning will resume. If the vehicle slows down to 78 km/h, speed alert warning will stop. This buzzer does not indicate any malfunction in vehicle.

Spare wheel material is steel and spare tyre size is 185/65 R15.
1.2L VVT and 1.2L Dual Jet, Dual VVT Petrol variants are BS VI compliant.
